Background

The National FFA Alumni Association was created as an “affiliate of the Future Farmers of America.” As such its primary purpose was to “support and promote the FFA organization, FFA activities and agricultural education on local, state and national levels.” Subsequent revisions to the constitution and by-laws served to clarify that the National FFA Organization Board of Directors had legal authority for the management and operations of the FFA’s Alumni Association.

The National FFA Constitution Article V – Membership Section A: “Membership in the National FFA Organization shall be of four kinds: active, alumni, collegiate and honorary.” This language establishes Alumni as part of the National FFA Organization and not independent from the National FFA Organization.

Executive Body

The constitution created the National FFA Alumni Council to serve as an advisory council to the National FFA Organizations Alumni Division as representatives of the alumni association. The council is responsible for ensuring that the associations program of activities is focused on and delivers the mission and vision of the organization. They serve as an advisory council that helps to develop the strategic direction of the National FFA Alumni Association as well as provides consultation and feedback from the local, state, and regional levels to National FFA staff.

The National FFA Alumni Council is established and outlined in Articles V – VII of the National FFA Alumni Association Bylaws.

Give back your skills, starting at the local level. Agricultural Education programs rely on volunteers to assist in getting community support and to give teachers more time and freedom to do what they do best—teach students.

Current Membership Dues and Fees can be found online at: https://www.ffa.org/support/alumni/about/become-a-member

**Associate Membership**
A free five year membership given to graduating and recently graduated, high school students. Associate Membership entitles the member to electronic information from the National FFA Alumni Association. Associate Members will not be included in any Alumni scholarship or awards program. Associate members have no voting rights and will not be included in Alumni official membership counts to determine the number of national voting delegates for a state. **There is a five year limit eligibility from high school graduation date** on the associate membership.

**Annual Membership**
Annual members have equal class and privileges and receive the National FFA Alumni *New Visions* magazine, a voice in alumni business and the opportunity to subscribe to National FFA publications for an additional fee per year. The annual membership dues of the National FFA Alumni Association shall be recommended by the National FFA Alumni Council and fixed by majority vote of the delegates present at the annual meeting held at the National FFA Alumni Convention. State associations and local affiliates establish their own membership dues for annual members in addition to the national dues.

**Membership Affiliation Program**
The membership affiliation program is designed to easily mobilize volunteers to support local agricultural education programs and their FFA chapters. This program allows affiliates to provide membership, services, and benefits to an unlimited number of volunteers/supporters for one fee while keeping the rest of their funds right at home for their local programs. This program will also assist the National FFA Alumni in their strategic goal of having an active alumni affiliate in every FFA chapter in the country and dramatically increasing the number of advocates and supporters with time, talent, and resources at the local, state and national level.

- An annual fee is charged per local affiliate (plus state fees that may apply) for the affiliate program providing basic support to all volunteers at the local level.
- Annual fee would be waived if the local affiliate has at least 25 life members (as of the end of the preceding membership year nationally). States retain the right to offer a state fee exemption at their own discretion.
- A minimum of 10 local affiliate members will continue to be in place for the affiliate to be considered active.
**Life Membership**
Is a one-time payment that is a true investment. One hundred percent of your dues goes directly into an investment account. Five to seven percent of the interest earned from that account is then used annually to operate and support the association. A life membership will be issued in one individual’s name (*no group or company names will be accepted*). Life members receive full membership benefits including; a membership card, membership certificate, life subscription to the National FFA Organizations publications *New Visions* and *New Horizons*, and a voice in alumni business. Some states and local affiliates have established state life membership dues and local life membership dues.

Prior to January 1997, the life membership policy included a memorial scholarship of $100.00 before November 1993 and $150.00 from November 1993 to December 1996. This scholarship was to be designated by the life member to be distributed in one of three ways upon his/her death: 1) remain permanently in the National FFA Alumni Trust Fund; 2) be given as a Memorial Scholarship to an FFA member in a designated chapter; or 3) be given in memory as a contribution to be used to support some area of agriculture and/or agricultural education. Upon a life member’s death, notification must be submitted in writing to the National FFA Alumni Association along with a copy of the obituary or death certificate. If the life member has a designation form on file, his/her wishes must be honored. If there is no form on file, a letter will be sent to the person/organization providing notification of death requesting a *family* member to make the designation.

**Corporate Partners**
Is an annual partnership that is extended to businesses and corporations for an annual fee.

Benefits of a corporate membership include:
- Being listed prominently in 1 issue of the Alumni magazine, *New Visions*, and the Alumni Convention Program

The central organization, according to the Internal Revenue Service, is the National FFA Organization. The National FFA has been designated a group exemption number (GEN) by the Internal Revenue Service. All subordinates of the National FFA, which includes all chartered and active local alumni chapters and state FFA alumni associations, must use this GEN number to verify tax exempt status on all reports to the IRS. Local and state FFA alumni associations must file for their own employer identification number (EIN) which is required when filing the IRS Form 990/990-N. The EIN is also required when bank accounts are opened or other investments are established that generate interest or dividends for the local or state FFA alumni.

The EIN is obtained by filing an SS-4 form with your regional Internal Revenue Service Center. The SS-4 form has 18 questions and will take only a few minutes to complete. Under 9A, check box “other nonprofit organization” and write in Future Farmers of America. Line 16, check “other” box and list educational support as the principal activity. Submit application to IRS. Once you have been assigned an EIN, this information needs to be provided to National FFA on the appropriate form. National FFA will then contact the IRS to link your affiliate to the GEN. This will automatically default your fiscal year to match National FFA’s, which is January 1-December 31. If you require a different fiscal year, you must contact the IRS to make adjustment. This may be done by phone (801-620-6019) or mail (Internal Revenue Service Center, Ogden, UT, 84201).

The IRS sends the National FFA Organization a list of all alumni chapters using the National FFA’s group exemption number for their EIN on an annual basis. The national office is required to verify this list for the IRS and add/delete FFA alumni chapters as necessary. If an alumni chapter becomes inactive (less than 10 dues paying members) with the National FFA Alumni, they will be in violation if they use the GEN for non-profit status.

Newly chartered alumni chapters will receive a tax information packet along with their charter certificate and scroll.

WHO MUST FILE FORM 990/990-N
Any alumni chapter receiving a Form 990 or Form 990-N must return it to the Internal Revenue Service. Note that is the gross income of your affiliate is normally not more than $50,000 you are only required to complete the Form 990-N. When gross income is (over the period of two or more years) normally greater than $50,000 a year, the alumni chapter must complete the entire Form 990 or 990-EZ. An alumni chapter should define gross receipts to mean the total amount received from all sources (including membership dues and all fund raising activities) during its annual accounting period, without subtracting any costs or expenses. If the alumni chapter does not receive Form 990 and does not normally have gross income of $50,000, the alumni chapter is not required to file the Form 990. These alumni chapters should file the IRS Form 990-N, or e-postcard on-line instead. All alumni chapters must submit either the Form 990-N or the Form 990 to maintain their nonprofit status.

For more information about the 990, 990-EZ and 990-N, visit www.irs.gov/charities
SIMPLE AND STRAIGHTFORWARD

The 990-N e-postcard is a simple, Internet-based form that asks a few indentifying questions about your organization. You can only file the e-Postcard online – there is no paper form. All you need is access to a computer and an e-mail address. No special software is necessary, and there is no cost to file an e-Postcard. It’s free!

To file the e-Postcard, go to www.irs.gov/eo click on “Annual Electronic Filing Requirements for Small Exempt Organizations – Form 990-N (e-Postcard),” where you’ll find a link to the e-Postcard filing system. You will file the e-Postcard through the Web site of the IRS’s trusted partner, the Urban Institute.

If you choose to, you can file a Form 990 or Form 990-EZ instead of the e-Postcard, but it must be a complete return. An incomplete or partially completed Form 990 or Form 990-EZ will not satisfy your annual filing requirement. In addition, you may be assessed a late filing penalty if you file Form 990 or Form 990-EZ late. There is no late filing penalty associated with the e-Postcard. However, if you fail to file your e-Postcard (or an information return) for three consecutive tax years, your organization will lose its tax-exempt status.

WHERE TO GO FOR HELP

DUES AND OTHER CONTRIBUTIONS ARE TAX DEDUCTIBLE

Membership dues and other contributions to the National FFA Alumni Association are eligible IRS deductions for the contributor when the support to the organization and its activities do not derive benefits of more than the nominal monetary value. As outlined in the National FFA Alumni Bylaws, the organization is designed to support and serve rather than to provide monetary benefits to its members which normally mean that contributions are tax exempt.

Personal charitable contributions, under the revised tax laws beginning 1987, may only be claimed as itemized deductions on Schedule A, Form 1040. Items that are normally considered charitable contributions to the National FFA Alumni Association are:

- **Life and annual membership dues**
- **Cash contribution**
- **Out-of-pocket expenses** you paid to do volunteer work for FFA Alumni. This includes attending conventions and meetings as an official representative, delegate or award winner. Out-of-pocket expenses such as lodging, meals and registrations are normally deductible. For more information, see IRS Publication 526 (www.irs.gov).
- **Car or truck travel at the rate of 14 cents a mile** (beginning January 1, 2005) or actual cost of gas and oil for driving on approved FFA Alumni activities or to FFA Alumni meetings when you are the approved representative.
- **The appraised value of material items donated to the FFA Alumni**. This could include items donated to an auction, animals donated for FFA livestock chains, or equipment donated to a vocational agriculture shop. Items worth more than $5,000 must be appraised by a professional appraiser.

You cannot deduct the cost of raffle tickets, events from which you receive personal benefits, entertainment or the value of your time or services. If an individual contributes more than $3,000 to the FFA Alumni, the contributor must list the FFA Alumni and amount on line 14b of Schedule A, Form 1040. The EIN number of the FFA alumni chapter will be required for contributions over $3,000. If non-cash contributions are more than $500, Form 8283 must be completed.
EXPENDITURES FOR POLITICAL PURPOSES
A political expenditure, as defined by the Internal Revenue Service, intends to influence the selection, nomination, election or appointment of anyone to public office or a political organization. The National FFA Organization is a 501(C) 3 organization and must file Form 1120-POL if their political expenditure exceeds $100 per year. The National FFA Organization policy states that it is non-political and does not make political expenditures as described above. FFA alumni members can make political donations at any time without involving the organization.

FFA Alumni Membership Induction Ceremony

FFA Alumni President:
In 1969 the concept of the National FFA Alumni Association was established; the National FFA Alumni Association was not chartered until 1971 and was established in support of the National FFA Organization. Since that time, thousands of individuals at the local, state and national levels have joined the FFA Alumni to secure the promise of FFA and agricultural education for future generations.

Cooperation is the foundation upon which we build success. Only through our efforts together are we able to reach new heights.

As FFA Alumni members we are entrusted with the greatest tasks: to help educate our youth and ensure the success of their future. As parents, community leaders, and friends, each of us has a responsibility and we must fulfill that duty. Each student will need you, help when you can, be trustworthy and honest, but most importantly make each moment a positive learning experience.

Service as an FFA Alumni member is an honor and privilege, through which we counsel, guide, support, listen, and mentor. We can secure the promise of FFA and agricultural education through premier leadership, personal growth, and career success. Will all FFA Alumni member candidates please rise?

(FFA Alumni Member Candidates Rise)

NATIONAL FFA ALUMNI LEADERSHIP SCHOLARSHIPs

The National FFA Alumni council adopted the following policy for awarding annual scholarship funds to state and local FFA Alumni Associations.

National FFA Alumni Scholarship units are awarded on an annual basis according to the following national membership achievements (based on membership received by the August 31 deadline) and net income from National FFA Alumni specified fundraising activities:

**Allocation Formula:**
(Percent of Investment Account + net income from National FFA Alumni specified fundraisers) / TLM = $ amount per life member

TLM = Total Life Membership
- Total # Life members at end of previous membership year (August 31)
  - (deduct) Inactive State Life membership
  - (deduct) State Life membership with <25 life members

**Process for Awarding Scholarship Units:**
1. Scholarship checks must meet a minimum of $50 in order to be awarded.
2. Local Scholarships will be issued to local affiliates that have at least 100 life members.
3. State Scholarships will be issued based on total state life members – (deduct) those life members awarded to the local level and that meet the following:
   ○ State must be an active state association
   ○ State must have a minimum of 25 life members

**Process for Redeeming Scholarship Units:**
- State and local FFA Alumni affiliates will receive their scholarship checks before the end of the fiscal year.
- Options for redeeming scholarship units:
  ○ Any National FFA Organization Event (WLC, SPC, 212, 360, etc.)
  ○ State FFA/FFA Alumni Events for student members (state camp, leadership training, special conferences, etc.)
- A **Leadership Scholarship Report Form** must be submitted by all state associations and local alumni chapters that received a check by Oct. 1<sup>st</sup> the following year in order to be eligible to receive a check in the next fiscal year.
  ○ Local alumni chapters that do not submit a report form by Oct. 1<sup>st</sup> will have their life members added back into the state’s total life membership count.
  ○ State alumni associations that do not submit a report form by Oct. 1<sup>st</sup> will not impact the local alumni chapters that receive local checks but will have their life member count removed from the total life member count. This will result in a greater per member dollar amount for each remaining life member.

THE FFA MISSION
FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

THE AGRICULTURAL EDUCATION MISSION
Agricultural education prepares students for successful careers and a lifetime of informed choices in global agriculture, food, fiber and natural resources systems.

The National FFA Organization is a resource and support organization that does not select, control or supervise state association, local chapter or individual member activities. Educational materials are developed by FFA in cooperation with the U.S. Department of Education as a service to state and local agricultural education agencies.

The National FFA Organization affirms its belief in the value of all human beings and seeks diversity in its membership, leadership and staff as an equal opportunity employer.
